

THE FORMATION SERIES

Do you want to see your students live out their faith in a way that impacts the world around them for the sake of the Gospel? If so, you'll want to check out YM360's *Formation Series*. *The Formation Series* immerses your students in the Gospel, teaching them who Jesus was, what He taught, and how He radically changed them and the world through His life, death, and resurrection. Your students will also be taught exactly what it looks like to live the life of a disciple. *The Formation Series* equips your students with the knowledge they need to live bold lives for Christ.

The first year of *The Formation Series* will walk your students through *The Jesus Studies*, where they will explore Jesus' teachings about the relevant issues of a teenager's life.

The second year will walk students through a study entitled *The Rescue*, where students will learn what the Gospel is, how it changes them, and how God uses the Gospel, and them, to impact the world.

Finally, in the third year of *The Formation Series*, students will walk through *The Life*, where they will learn exactly what it looks like to live a life of discipleship.

SCOPE AND SEQUENCE

YEAR 1, Part 1

- Jesus and Identity: What Jesus has to say about what our new identity in Christ looks like
