CHR075 - Leather Seat

Sticks Dining tables have different **base options** for different shapes and support needs.

Log Legs

Log legs are made of traditional logs, lightly finished, sanded smooth, and sealed. The physical properties of each log differ slightly, but are adjusted to make the table level.

Milled Legs

Milled legs are made of milled wood, cut to shape the leg. Each leg is identical to the others.

Single & Double Pedestal Base

Pedestal Bases can be single or double and are available in log or milled.

Table shapes that do not contain leaves are simple - Circle, Oval, Square, and Rectangular. We offer a wide variety of leaf tables, all built with high quality hardware for easy size changes

All Sticks Tables follow industry standards and are 30" tall.

Traditionally, Sticks tables have skirts - specify your preference in your your order or as for 'no skirt'

Triangular

Straight

Waved

Oval and circular tables are hand-crafted, and thus may not be truly circular or oval. Differences are a matter of a inch or so and not noticeable to the eye.
