

# BF-10™ INSTRUCTIONS

**WARNING: FOLLOW THE FIREARM SAFETY RULES WHILE USING THE BF-10™. FAILURE TO DO SO CAN RESULT IN DEATH.**

1. Treat all guns as if they are always loaded.
2. Never let the muzzle cover anything that you are not willing to destroy.
3. Keep your finger off the trigger until your sights are on target and you have made the decision to shoot.
4. Be sure of your target and what is behind it.

**BEAR FLAG DEFENSE**

1. Push handles toward open end of BF-10™.

2. Insert 10 rounds of .223, 5.56 or 300blk ammunition. Handles will move back as rounds are inserted.

3. Ensure rifle is on safe and pointed in a safe direction.

4. Ensure bolt is locked back and an empty magazine is in place.

5. Insert the BF-10™ into the ejection port, front first.

6. Rock the BF-10™ backwards until it sits flush with the surface of the upper receiver.

7. Grip the handles as shown, with last three fingers and heel of hand.

8. An overhand grip can also be used.

9. Push the handles toward the rifle hard and fast until they stop.

10. Rock the BF-10™ forward and remove it.

11. Ensure that all 10 rounds have gone into the magazine.

12. When ready, press the bolt release to chamber a round.
