

QUALITY POLICY

Univar Specialty Consumables is committed to:

- Ensure that all products and services agree with customer requirements with the aim of enhancing customer satisfaction.
 - Establishing positive relationships with suppliers.
 - Meeting product statutory and regulatory requirements.
- Defining risks and setting / reviewing objectives in accordance with Univar Specialty Consumables Company Management System control procedures.
- Complying with the requirements of **BS EN ISO 9001** and continually improving the effectiveness of the Univar Specialty Consumables Company Management System.
 - Ensuring this policy is understood within the Company and providing resources needed to fulfil the policy objectives.
- Reviewing the Quality Policy contents as part of the Univar Specialty Consumables Company's Management Review, to ensure it is current, and reflects the needs and aspirations of the Company.

By applying this Policy, the Company aims to ensure that it's staff are committed to achieving the mutual objective.

Steve Jones

**Supplier & Product Management Director – Univar
