

Lightning Bolts offers a complete supply of fasteners, cutting tools, and safety equipment that are needed daily by the cladding and roofing projects.

- Standard self-drilling screws and roofing screws are stocked in large amount
 - Specific models / non-standard can be sourced quickly and efficiently
 - Screws and rivets can be painted to your choice of color code with precision and accuracy
 - Quality is a guarantee – we will provide samples and technical data sheets on demand
- One stop shop for all your consumables: cutting tools, safety products, or other industrial accessories, we got everything to make your experience easy.

As a roofing and cladding contractor, you require reliability, available stock, and the best quality/price ratio you can get on the market.

Our team will work with you to find the right product for the job budget, while maintaining high standards of quality. We will also help you secure the right amount of stock and pricing on your repeat volume items, and deliver them when needed, with great speed, directly at your worksite.

Let's work together.

Why work with us?

- Expert technical knowledge to help you get the best custom product for your needs
- Traceability of steel, Certifications and Mill test reports on the material
- Our dedicated customer service will work with you every step of the way, to ensure your complete satisfaction.
- Large inventory and fast turnaround time
- Our extended manufacturing capabilities
