

# The Giving Globe

The Giving Globe project is a fun and creative way for students to learn about the importance of giving and kindness. With the help of AccuCut's® MARK 5™ Die-Cutting Machine and Snow Globe dies, students can create their own snow globes and decorate them with scenes of themselves doing something kind. The Giving Globe project is a fun and educational way to teach students the importance of kindness and generosity during the holiday season.

## Materials Needed

- AccuCut MARK 5™ Die-Cutting Machine (AC5500)
- AccuCut Snow Globe-Jumbo (S2606J) or Snow Globe #2-Jumbo (S1509J)
- Construction Paper
- Pens, Pencils, Crayons or Markers
- Glue
- Glitter (Optional)

## Instructions

1. Place up to 6 layers of construction paper on the AccuCut Snow Globe or Snow Globe #2 die.
2. Run the die through the MARK 5 die-cutting machine, cutting one snow globe for each student.
3. Have your students color and decorate their snow globe, creating a scene of themselves doing something kind this holiday season. Encourage them to be creative and use their imagination.
4. Once the snow globes are decorated, add dots of glitter to their pictures to show snow.
5. Talk through why giving is even more important than receiving, and how doing good things for others can have a positive impact on our communities. Encourage students to think about how they can show kindness and generosity to others.
6. Once the project is complete, display the snow globes in your classroom as a reminder of the importance of giving and doing good for others.

Show us your students' creations on Facebook or Instagram with [#accucutkindnessproject](https://www.instagram.com/accucutkindnessproject) for a chance to win AccuCut's Circle-Spinner die (a \$75 value!) Winner announced December 10, 2023.
