

Fresh Brew Plus

Brewing flavorful coffee is easy with the 10-cup Fresh Brew Plus Thermal Carafe Coffee Maker (EC-YSC100), which comes with a permanent stainless mesh coffee filter. The vacuum insulated stainless steel carafe keeps coffee hot for hours with no burnt flavor, while the removable water tank makes filling easy and is fully washable. BPA-free. zojirushi.com

Super Bites

Tosi's Super Bites cashew bars are perfect for on-the-go customers who want tasty protein-packed snacks without extra sugar or a messy chocolate coating. tosi.com

Whole Foods Tea

All it takes is one minute of steeping to reach foodie nirvana with the new tisanes from Star Tree Tea, featuring wholesome ingredients like apple, hibiscus, beetroot, and raisins. Serve hot or chilled. startreetea.com

Controlled Kettle

Control your pour over with the new Brewista Smart Pour Variable Temperature Gooseneck Kettle. Press the control button and set your exact temperature with the digital controls. A keep warm feature even maintains temperature up to one hour. Tap the power button and water preheats precisely in seconds. mybrewista.com

Sleek Steeper

The stylish Libre Tea Infuser is our go-to for making tea to-go. Loose-leaf, fruit-infused waters, and more are easy to steep. libreteatea.com

Hygge Mug

Give your café the hygge treatment with Viva Scandinavia Minima Balance tea mugs. vivascandinavia.com

Free Parfait

Accommodating dietary restrictions for customers need not be difficult. Parfaits with grain-free granola from Julie's Real and dairy-free coconut yogurt from So Delicious are tasty, vegan-friendly, and free of soy, gluten, and GMOs. juliesreal.com / sodeliciousdairyfree.com
