### About Pomellato

Synonymous with creativity and color, Pomellato was founded in Milan in 1967 by Pino Rabolini - the heir to his family's goldsmith legacy. Introducing the prêt-à-porter philosophy to the traditionally conservative world of jewelry, Rabolini revolutionized women's fashion choices while shaping Pomellato with a powerful, fashion-forward identity.

Fifty years later, his jubilant, distinctive designs have grown to be revered both in Italy and across the international jewelry landscape.

Pomellato will soon be available in store at selected retailers across Australia & New Zealand.
