

SHIRAZ

SOUTH AUSTRALIA

2017

The Patritti 'P' Range of wines showcase the classic characters consumers expect of Australian varietal wines. Soft, smooth and easy to drink the simpler fruit-driven flavour profiles are designed to satisfy the palate.

TASTING COMMENTS

Shiraz is commonly known as Australia's most prominent and highly regarded red wine Variety. This wine is deep ruby red in colour. The nose displays fruit aromas of plum, blackcurrant and raspberry. These flavours continue onto the soft and smooth palate. Subtle oak characters of chocolate and spice have helped to create a wine of great balance.
