

TRAINING TIPS FOR SIAMESE FIGHTING FISH

These colourful fish are easy to train!

Once you understand some of the Bettas natural behaviours & instincts, it is quite easy to intergrate these into some tricks! Some Bettas can already jump out of the water, if your's can, then this trick will be made even easier!

We know that Bettas like to feed from the water's surface & here is a simple trick to compliment this natural behaviour.

Before long, you will have trained your Betta to jump out of the water for food!
