

Switching Between Headbands & Clips

Once you've logged into your account, click on **Manage Subscriptions**. To the right of your Subscription click **Edit**. Under *Current Variant* click **Change product variant** and use the variant dropdown to choose your preferred style. Any changes made before the 10th will automatically go into effect for the coming month. If you update after that, send us an email, just to be sure we get the correct style out to you.
