يجب وضع الشريط الخطي على شريط في الحلقة للحصول على ضغط مريح.

Tummy Trimmer/ Abdominal Belt 8"

English

INTENDED USE :

Tummy Trimmer/Abdominal belt supports and compresses the abdominal muscles for waist line reduction and is used as a post operative or post delivery aid.

CONSTRUCTION:

Made from extra strong highly porous orthopedic webbing containing heat resistant rubber with high modulus of elasticity. Hook loop closures provide perfect fitting of the belt around the waist, controlled compression, its quick, easy application and removal. Flexi Nylon splints ensure no wrinkles, no buckling and no rolling over of the belt.

APPLICATIONS:

- To protect and bind surgical incisions of the abdomen and the chest.
- Postoperative care of thorax and abdomen.
- Reduce the discomfort of sudden rib cage expansion from deep breaths, cough or sneezing during recovery.
- Used as a general tummy trimmer, it compresses the abdominal wall to give the wearer a coveted slim figure.
- For post delivery mothers, to tone up the mellowed abdominal muscles and set the waistline to its Pre-pregnancy dimensions.
- In umbilical and ventral hernia.

RECOMMENDATION :

- Use this product on recommendation of a doctor.

INSTRUCTIONS:

- Discontinue use and seek guidance of a qualified doctor, in case of
 - Impaired sensation
 - Impaired blood flow
 - Allergy rash or itching
- Consult your doctor in case of concurrent use of the device with excessive physical exertion, it can lead to restriction of performance of heart and lungs (risk of rise in blood pressure).
- Misuse or improper use of the device can lead to adverse effects and decreased effectiveness.
- Follow instructions mentioned on the box carefully.
- Keep out of reach of children.
