

SOHA

WRITTEN IN THE STARS

"Soha" is the fainter companion of a rare double star that appears as one in the handle of the Big Dipper. This star is symbolic of your relationship's bond and unique journey through the universe together, as one. Our story, just like yours, is written in the stars.

These pieces are available in 14k White, Yellow or Rose Gold, and some of them also available in Platinum. With an average lead-time of two weeks, these make great gifts. For inquiries or to order, contact us via email or phone.
