Introducing Our Puzzle Patron Rewards Program

Over the last few years, we've been looking to implement an effective way to reward our most loyal fans who've been critical to our small business growth. We're really excited to unveil the first initiatives in our StumpCraft Patron Reward Program. For now, Puzzle Points earned through this program can be redeemed for savings on future puzzle purchases... we'll be experimenting with other playful ways of redeeming points. More on those ideas at a future date!

To collect and redeem StumpCraft Puzzle Points, you first need to have a Patron account. Then, you need to verify your participation in our Patron Rewards Program. If you already have an account, all you need to do is do the verification step (skip to #2). Follow these easy steps, and you will be on your way to earning points in no time.
