## ROAD ID RETURN/EXCHANGE FORM

If you have any questions, call us toll free at 800-345-6336

At Road ID, we take great pride in the products that we offer. Our goal is to provide exceptional products of outstanding craftsmanship and quality. We also try very hard to process your order perfectly the first time. For this reason, we do not have very many returns or exchanges. In fact, our “return department” is really just a shoebox on a desk - in a dark and scary corner of our office. This being said, if you need to return or exchange something, please use this handy-dandy form. We will gladly exchange or refund any Road ID product that does not exceed your expectations.

NOTE: If there is an engraving mistake on your ID, please email [AlissaJ@RoadID.com](mailto:AlissaJ@RoadID.com) or call 800-345-6336 before returning your order.
