

BMP TUNING RMA FORM

All BMP Tuning product returns and exchanges require a fully completed BMP Tuning RMA Form (Return Merchandise Authorization Form) to be included with the returned item(s). Please complete this form accurately, being as thorough as possible, to ensure that your return and/or exchange request gets processed in a timely manner.

Any returns and/or exchanges that violate our Return and Exchange Policy or do not include a completed BMP Tuning RMA Form, will be declined and the customer must pay for the return. The BMP Tuning Return and Exchange Policy can be reviewed at <https://www.bmptuning.com/pages/return-and-exchange-policy>.

BMP Tuning is not liable for lost, stolen or damaged return shipping. We recommend all RMA to be shipped with tracking, signature required as well as insurance for the full value amount of the returning items.
