**WIN A PRIZE**

We have come up with eight meaningful challenges. See how many you can do and don't miss the prize on challenge 8.

### DID YOU KNOW?

The word Halloween means 'The night before All Saints Day'. All Saints Day is the time when we celebrate religious saints - a special kind of good person or hero. We also remember friends and family members - our own heroes.

It's the time when we celebrate good winning over bad and light over darkness. We also think it's a chance to show love to others.

## BE A HERO

Last year we invited 50,000 children to nominate their heroes. Nominations ranged from family members to the TV naturalist Steve Backshall. This year we challenge you to be a hero.

### HERO CHALLENGE 1

## BUY FAIRTRADE

Fairtrade means that the people who produce our goods get paid a fair price for their work. Buying Fairtrade is one way in which we can share God's light.

Your next challenge is to make sure you buy at least one Fairtrade item this week and to look out for Fairtrade items on the shelves over the coming year.

Can you connect the lines of trade from the product to a country which produces them?
