

# Quick Cable Cowl

*Skill level*  
BRAVE MAKER

PEEPS SHOULD BE COMFORTABLE WITH CASTING ON AND OFF, AND KNITTING AND PURLING IN THE ROUND

Knit the squishiest cowl and learn the art of cabling at the same time. This fast and furious pattern makes for fantastic gift knitting, and you'll be whipping up cowls for everyone in no time!

**This squish-tacular cowl is a great introduction to cables!**

## Glossary:

**K** - Knit | **P** - Purl | **CO** - Cast On | **BO** - Bind Off  
**st(s)** - Stitches | **Rnd** - Round | **PM** - Place Marker

**C6F** (6 stitch left leaning cable) - slip 3 stitches onto a DPN or cable needle and hold in the FRONT of your work. Knit the next 3 stitches on your left needle, then knit the 3 stitches off your cable needle.

*Cables are formed by knitting your stitches out of order, causing them to twist! Who thinks of these things?!*

## **Size & Gauge:**

One size fits all! Gauge is not essential - live on the edge.

## **Yarns:**

- 1 skein of [Cascade Magnum](#) or approximately 100 yards (91 metres) of another super bulky yarn.

## **Needles n' Notions:**

- 15mm (US 19) 24 inch (60 cm) circular knitting needle  
(We like [Chiaogoo!](#))
- 1 stitch marker
- 1 [10mm \(US 15\) DPN](#) (to use as a cable needle) OR a large cable needle
- A darning needle for weaving in ends

## **Pattern:**

CO 56 sts using the long tail cast on method. Join your work in the round, being sure not to twist the stitches. PM on your right needle. Written instructions are provided alongside the chart.

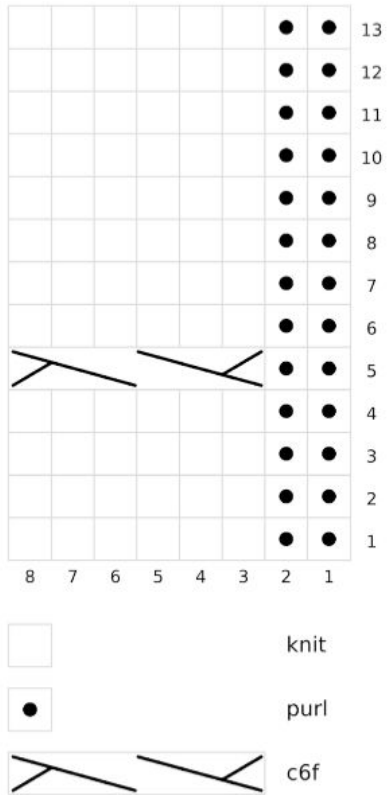

**A note about reading charts:** When knitting in the round, you start at the bottom right corner of the chart grid and read the chart from RIGHT to LEFT on every row. (*Knitting flat is a slightly different process, but we won't worry about it now.*)

To make a pattern repeat, you will repeat a chart line over and over from right to left until the round of knitting is completed. (For this cowl, 7 repeats x 8 stitches wide chart = 56 sts that we cast on.) Finished your round? Then move up one chart line. Sometimes you'll be asked to repeat rounds of the chart again to complete the pattern.
