

Congratulations!

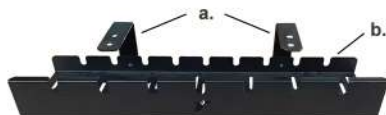

You are the new owner of TTRacing Titus Cable Organizer!

**Flip to the back to get started!
Thank you for your support!**

ATTENTION

1. For indoor use only.
2. Please be aware there are small parts contained in the packaging, keep out of reach of children.
3. You are advised to wear protective gloves when assembling your product.
4. Be sure that you have gone through the user manual before assembling, kindly contact us if you have any question during the assembling.
5. Check the connecting parts on every two-monthly basis to ensure they are still tightened.
6. Please assemble your product with care, being extra careful to avoid scratches on your desk.
