MACK at Hotshoe 333

28 July – 31 August 2018

Launch: Thursday 2 August 6.30–9pm

MACK is a London-based publisher that works with artists, writers, and curators who consider the medium of the book as an art form and as a primary destination for their ideas.

This pop-up presents a range of books and special editions, including a limited edition portfolio of collotype prints by 10 artists, made in collaboration with the Japanese atelier Benrido.
