

# VALIANT OUTDOOR STRING LIGHTS

FIR561

Before you enjoy the benefits of your Valiant Outdoor String Lights, please take a few moments to read our advice and instructions below.

## CONTENTS

28 x LED G40 E12 (0.5W) Outdoor String Light Bulbs on 7.5m cable (25 Socket Bulbs + 3 Spare Bulbs)  
1 x 2.5m Power Cable  
1 x Spare 3A Fuse  
1 x Instruction Manual

## INSTALLING YOUR LIGHTS

1. Before inserting the bulbs, position the cable and empty sockets in the desired location.
2. Screw the bulbs into the empty sockets one at a time.

3. Connect the mains plug to the power source – the lights should now be on.

## CONNECTING ADDITIONAL SETS

1. On your additional set of Outdoor String Lights, disconnect the power cable from the light string by unscrewing the connector as shown in Figure 1.
2. Ensure your existing set of Outdoor String Lights is unplugged from mains power. Find the end of the lights and unscrewing the cover of the connector.
3. You are now ready to attach your additional set to the connector. Ensure they are screwed tightly together before plugging in for use.

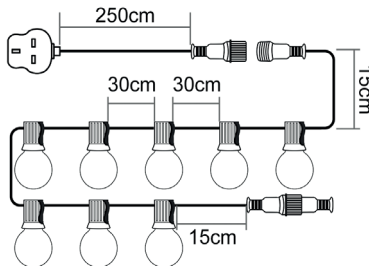

Figure 1

## IMPORTANT SAFETY INFORMATION

The bulbs supplied are suitable for AC220-240V only.

Ensure the product is unplugged from mains power before screwing in or removing the bulbs.

Ensure mains power is switched off when lights are not in use.

Do not hang items from the cable as this may damage electrical connections and become hazardous.

The light string connections are rain and splash proof but do not immerse the lights or wire in water.

When connecting multiple sets of lights in sequence, do not connect more than 6 sets.

## PROBLEM SOLVING

- If the goods have arrived in a damaged condition please contact your supplier.
- In the unlikely event that parts are missing or the products are not working as described, please contact us at the address listed below so that we may deal with your problem swiftly and minimise delays.
- Spare bulbs are available to purchase through our website.

## **WARRANTY**

---

- Your Valiant Outdoor String Lights are guaranteed for materials and workmanship for 24 months.
- This limited warranty does not cover normal wear and tear or damage caused by accident or misuse.
- Use of this product is entirely at the consumer's risk.
- This does not affect your statutory rights.

## **RETURNS**

---

- Please retain your proof of purchase. You will need to provide your receipt in any correspondence.
- If you experience a problem with your product, please contact your retailer who will be able to assist.
- Returned products will only be processed with prior verbal or written agreement with The Accessory Outlet Ltd.
- We will not accept postage or other costs associated with returned or faulty goods.
- If goods are found to have been misused any repair costs will be passed to the customer if any repair or replacement is required.
- For technical support contact us

by telephone or email (contact details are listed below).

## **DISPOSAL**

---

- All packaging materials and cardboard are recyclable – please do so.
- The crossed out wheelee bin symbol on the product means that under the WEEE regulations, all consumer and household electrical and electronic products should not be mixed with general household waste as it may contain environmentally hazardous substances. For environmentally responsible recovery, recycling and treatment of the product, contact your local authority for details of your nearest designated collection point where it will be accepted free of charge.

We reserve the right to update and amend the product design and the manual, which are subject to change without further notification.
