## Heated Footrest Operating Instructions

**BEFORE USING THIS PRODUCT:  
PLEASE READ, UNDERSTAND  
AND FOLLOW THESE  
INSTRUCTIONS.**

### Contents

- 1 USB powered heated foot rest
- 1 footrest riser cushion
- 1 Heat setting controller and lead
- Instructions

### Instructions

- This item requires a suitable 2A USB supply.
- Check that your wall charger, pc, gaming console etc. can deliver up to 2A or the performance of the heating function will be reduced.
- Find a suitable place to set up your footrest. Ensure that the USB cable will safely reach the USB power supply indoors and that this is not a trip hazard.
- Do not use if cover is damp or wet.
- To remove the footrest cover for cleaning, unzip the cover and carefully remove ensuring no strain is put on the zip or stitching – and wash in warm water and allow to air dry.
- Do not allow the electrical heating pad, lead or controller to come in contact with water.
- To prevent potential overheating, do not cover the footrest when in use.
- The maximum heat output is 45C.

- It is not recommended to wear shoes or slippers when using the heated footrest.

**Caution: Do not attempt to modify or repair the product as this will void the warranty.**

### Operating Instructions

- Position the footrest and connect the controller lead the USB lead to suitable socket
- Using the controller Select the desired heat setting and time duration.
- To adjust the heat setting, tap the left button on the pad to move this through the settings and select the preferred temperature (low, medium, high or extra high)
- To set the timer function, tap the right button on the pad to select preferred time (15 mins, 30 mins, 45 mins or 60 mins).
- The product will automatically power off after the timer selection duration - a maximum of 60 minutes.

### Disposal:

Electrical equipment and batteries should never be disposed of with general household waste. They must be separately collected for proper disposal.

The  symbol on the product reminds

you of the need to dispose of the product correctly at the end of its life. Please dispose of at your local recycling centre.

### Warranty:

This product is guaranteed by Accessory Outlet for a period of 1 year from the date of purchase under a Limited Warranty Agreement. During this period if there is a defect due to faulty materials or workmanship, the retailer from whom you purchased it will replace it with the same or a similar model on production of your purchase receipt or proof of purchase. This guarantee does not cover defects arising from accidental damage, misuse or wear and tear, and is available only to the original purchaser of the product. This does not affect your statutory rights.
