

Outer: 100% Cotton

Inner: 100% Cotton

Filling: 100% Polyester

COLD HAND WASH ONLY (no detergent)
DO NOT MACHINE WASH
DO NOT WASH IN WARM WATER
DO NOT IRON
DO NOT DRY CLEAN

Washing Instructions

Cold water hand wash only. Do NOT wash with hot water or detergent as it will remove the oilskin coating.

If the garment gets dirty please brush off dirt with cold water or sponge

If the oilskin coating does wear down after time or you do need to wash the jacket in detergent, please purchase an oilskin re-proofer spray (available online) and top up every few months to keep jacket water resistant and looking good.
