

## **Mom is on a Mission**

Dear Mom was founded to pay homage to the women who create us, who inspire us to dream, who hold us tight when we are cold, who lift us when we have fallen, and who give us hugs and kisses and high-fives when we thrive. Dear Mom is dedicated to providing a premium and convenient wine experience that will have a far-reaching impact. We are a wine with a mission! Each month we will donate a portion of proceeds to a charity whose work benefits mom's locally and globally. We encourage you to explore each of these dynamic organizations and donate further if you have the means.
