This is FORTEC®. Welcome to our Shops!

Welcome to FORTEC®, three Jeep® enthusiastic locations, serving customers and friends for more than 25 years. We are excited that you have our 25th Anniversary Edition Catalog in your hand. It is our 5th catalog displaying complete custom solutions and a selection of the best parts our industry has to offer. Our three convenient locations stock inventory and offer full installation services.

Just like you, at FORTEC®, we appreciate performance, quality and expertise. We made those attributes our mission in our shops. With this in mind we are proud that our industry trained technicians customize, custom build, and meticulously upgrade more Jeeps® than any other custom shop in the South East.

We hope you don't mind the sound of air guns, welders and power tools in the background when you call us. Our team welcomes your phone calls and questions. Email us at info@FORTEC4x4.com.

We greatly appreciate your business,

Andreas & Matt

Andreas & Matt

FORTEC® - Fort Lauderdale, Florida

This is our furthest shop South. The owner is Matt, Andreas' cousin and business partner. His crew is super-efficient in a shop that is way too small for its output. (We are looking for space!) As with everyone from FORTEC®, you will receive competent advice, a quick turn-around time and expert service. Your contacts in Fort Lauderdale are Matt and Hendrick.

In addition to expert installations and custom builds, the shop ships most orders from here. Your contacts in Roswell are Justin and Greg.
