76-06 CJ & Wrangler

Protect your Jeep's interior with these Custom Fit Neoprene Seat Covers. Neoprene (wet suit material) is a great fabric to protect your seats from dirt, water and whatever Mother Nature can throw at you. These also prevent you from burning your legs since they stay cooler than seats! Each cover is custom tailored for your Jeep's original equipment seat style making your seats look like they have been recently re-upholstered. Installation is easy with special designed elastic cords, nylon straps and hooks that attach to your seat and to the seat cover mounting points. Sold as a front pair. Available in below colors.

Rugged Ridge® Cargo Seat Covers

Protect your seats and increase interior storage with these Cargo Seat covers! Constructed of heavy duty 600 denier polyester fabric with a special PVC liner on the seating area, these seat covers provide great protection from water, dirt and spills while giving your Jeep a great look. Each cover has been specially designed with special elastic and Velcro straps to optimize the fit on your original equipment or aftermarket seat. The back of the cover incorporates 5 multi-use pouches, plus one sunglass pouch with elastic tool holding loops, and one knife / multi tool pouch that can also be used for I-pod and cell phone storage. Each of these 7 pouches are easily removable and provide the needed storage every Jeep* is lacking. Front Cargo seat covers are sold individually.
