WELCOME TO THE ALL NEW 2018 WRANGLER JL

The new Wrangler JL has finally arrived and has exceeded the highest expectations Jeep® enthusiasts had. The manufacturer made a wise decision to keep the popular JK look intact while improving features & benefits dramatically. The 2018 Jeep® JL is now much lighter, has increased capabilities and is more economical. FCA's attention to detail is nothing short of impressive. The new JL may be the best Wrangler ever. We at FORTEC® are excited to work on this awesome, new platform.

FORTEC® is the Number 1 Custom Jeep® shop in the Southeast. With 3 locations we work in a close relationship with authorized Jeep® dealerships, building the highest quality Turn Key Solutions, backed by FORTEC's comprehensive warranty.

FORTEC's 27 years of expertise make us the most qualified partner to turn your Wrangler JL into the Jeep® of your dreams.

RUBICON EXPRESS® 2" Economy Lift Kit

This easy-to-install system capitalizes on the JL's improved ride quality and off-road performance. Durable steel coil spacers, shock extensions, sway bar drops and bump stop extensions retain finely tuned factory springs and dampers and makes room for 35" tall tires. Enjoy increased ground clearance, enhanced attitude and the exceptional value of this new Rubicon Express lift system.

Application	Part No.	Price
2018 Wrangler JL with Shock Extensions	R/E JL7134E	\$400.00
Installation Cost		\$460.00
Alignment		\$ 89.00

- 35x12.50R17 ATZ P3 on 17x8.5" BAWARRION "BONZ"
- 2" MOPAR® Suspension Kit JEP 77072395

MOPAR® 2" Lift Kit with FOX Series Shocks

Jeep® Performance Parts 2" Lift Kits have been developed by Jeep® brand engineers and off-road enthusiasts and allow you to use larger tires. The kit includes 2.5" diameter aluminum body monotube FOX® Shocks for cooler operation. The Lift Kit increases articulation and tire-to-ground contact and the longer front control arms optimize caster suspension tuning for on-road without compromising off-road capability. It works with electronic stability control although unique alignment specifications are required. The parts are easy to install as no driveshaft or brake line replacements are required. Rigorously tested for performance, durability and corrosion, the parts in this kit meet all FCA US LLC production standards. The kit comes in a reusable Jeep® Performance Parts (JPP) branded wooden crate.

- Limited 5-year warranty on finish

MOPAR® Tailgate Hinge Reinforcement

Swing Gate Hinge Reinforcement allows for larger tires to be mounted on the swing gate. The reinforcement is powder-coated black and works with production hinge for easier installation. Requires Oversized Spare Tire Carrier (JEP 82215355). For use with tires up to 37". Also provides mounting provisions for other accessories.

Application	Part No.	Price
2018 Wrangler JL	JEP 82215356AB	\$625.00
Installation Cost		\$230.00

MOPAR® Oversized Spare Tire Carrier

Modification Kit provides various spacers to adjust the production spare tire carrier in order to accommodate larger tire assembly. The carrier is painted a corrosion-resistant black finish. Requires Tailgate Reinforcement System (JEP 82215356AB).

Application	Part No.	Price
2018 Wrangler JL	JEP 82215355	\$275.00
Installation Cost		\$115.00

MOPAR® Stop Light Relocation Kit

Add up to a 37" tire on the spare tire mount and move the CHMSL to the center of the spare tire. Used with the Oversized Spare Tire Carrier Modification Kit (JEP 82215355), Tailgate Reinforcement System (JEP 82215356AB) or as a stand-alone.

Application	Part No.	Price
2018 Wrangler JL	JEP 82215349	\$85.00
Installation Cost		\$57.50

SMITTYBILT® Tire Relocation Bracket

The Smittybilt Tire Relocation bracket is made from H 3/16" laser cut steel and bolts Directly OE attachment points. Repositions spare tire up to 1.5" out and 1.5" upwards. Retains OE brake light and camera functions without modification. Holds up to 37" spare tire. Swing gate reinforcement is recommended for 35" tires and required for 37" tires.

Application	Part No.	Price
2018 Wrangler JL	S/B 7721	\$80.00
Installation Cost		\$115.00

POISON SPYDER

POISON SPYDER Frame Mounted Tire Carrier

Frame mounted heavy duty spare tire carrier for extra strength, taking the stress off the body or bumper. This single action tire swing opens with the Jeep's trailgate. Compatible with Crawler™ and Bruiser™ series rear bumpers. Heavy duty pivot point with tapered roller bearings. SpyderShell™ Armor Coat semi-gloss black finish.

Application	Part No.	Price
Crawler™ Front Bumper	PSC 19-62-030TP1	\$949.00
Installation Cost		\$230.00

Made in USA

MOPAR® & WARN® Winches

With a modern rugged design, upgraded internal components, and increased performance and durability, ZEON™ is a new name from the most trusted name in winches. Warn has packed the ZEON™ winch with all the performance features off-roaders said they needed most. From a heat-dissipating brake down to an incredibly smooth planetary gear train, this winch is ready to hit the trail. The pulling capacity, combined with a fast line speed makes this winch the perfect choice for your Jeep®. Available in 8,000, 10,000 & 12,000 lbs with steel cable or synthetic rope.

MOPAR® ZEON™ Winch by WARN®
