

## I-STEEL

Home/office range grinder.

Made of stainless steel and high quality components. Perfect for home or the office daily. Small but robust.

The ideal companion of the Steel machine!

**ascaso**  
BARCELONA

## MAIN FEATURES

**Stainless steel body.** Polished or treated with a high-quality varnish, black or white textured matte.

**The milling equipment is made from special tempered steel.** The same steel as used in professional high-performance coffee grinders. Service life 600 kg.

### 2 models:

**I-1** Brass group and steel milling wheels (54 mm diameter).

**I-2** Plastic group and steel grinding cones.

**Micrometric adjustment** allows maximum grind adjustment.

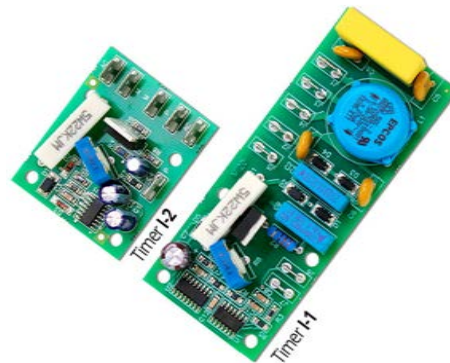

**Adjustment limit** in just a few seconds. The perfect grind point can be found.

**Coffee grinding adjustment.** Enables viewing of the grind selected. Made from stainless steel and laser-etched.

**250 gr hopper** with fitted cover. Optional 600 gr hopper.

**Electronic timer.** This means the desired amount can be supplied by activating a timer switch (optional).

**Hopper lid and graduation knob in wood** (optional).
