

JARLESS BLENDING, THE FOREFRONT OF INNOVATION

Why waste ingredients when you can have perfectly portioned drinks and smoothies blended right in the cup you give to your customer? The Nitro Blending System minimizes waste, saves time, and increases your profit margin.

STEALTH TECHNOLOGY™ ENSURES AN UNINTERRUPTED ATMOSPHERE

The Stealth 895 NBS includes a sleek sound enclosure and proprietary airflow innovations that enable operation at the sound level of a normal conversation.

BUILT TO SAVE TIME AND MONEY

All Blendtec blenders are built to meet unique needs of the commercial customer. Each feature—from top to bottom—delivers effortless operation and is designed to reduce overall cost.

ONE-TOUCH BLEND CYCLES

Blending has never been simpler. Just push a cycle button, and Stealth 895 does the rest, automatically speeding up, slowing down, and shutting off the motor. The result? Perfect blends, every time.

FEATURES INCLUDE

- Motor: 3.8 peak horsepower, 120V
