Notes:
One dollar for each pound sold is donated to wounded and disabled veteran's support organizations. The suggested retail price (SRP) is $13.95 to $16.95 per pound. Order can be mixed blends and bag sizes to achieve the minimum quantity, which is 12 pounds per order. Prices subject to change without notice. One-pound labels include UPC bar codes and specify contents as "Whole Bean." Beans are packaged in heat-sealed airtight foil bags with one-way valves. Orders should be placed by noon for next day shipment. Larger orders over 100 pounds may require additional time for shipment. Prices are for whole beans. Ground coffee is also available at a charge of $0.50 per pound.
