PARTNERS **PACK**

Welcome to the Xmartial Partners Pack, a resource that will be essential to help you grow with us and get the most from this partnership

We appreciate your hard work in growing and improving the martial arts community, and would like to thank you for your efforts.

We created this Partners Pack at the request of several of our current partners. It is the ultimate resource to help you grow with us. OSS!

Creating long-lasting, mutually beneficial partnerships within the combat sports community is paramount for us, and your efforts will not go unrewarded

Grow with us and enjoy some great perks such as;

Free XMartial gear and training equipment

Financial incentives and tournament sponsorship

Exposure through our social media and email list

Opportunities to collaborate with us

Retreats and getaways with the Xmartial team

Social media is an incredibly potent tool for educating, entertaining, and sharing ideas with your audience. Social media communities serve as excellent platforms for learning, inspiration, and entertainment. Building a robust social media following is no easy feat, but your outstanding growth can be attributed to the high-quality and valuable content you've curated.

No one understands your audience as well as you do, so you're the expert on what resonates with your channel and how your audience engages. While we're here to offer suggestions, we acknowledge your unique insights into your audience's preferences. We'd like to propose ways to promote us that align with your followers' interests and ensure a positive response.

GREAT WAYS TO PROMOTE

UNBOXING VIDEOS

An unboxing video is a great way to get creative and promote us at the same time. We are always happy to send more free gear to our partners, and unboxing videos always go down well.

Check out Nickole, a master of the unboxing video!

HONEST PRODUCT REVIEWS

We love honest feedback from everyone who buys and uses Xmartial products. By listening to our customers over the years, we have been able to massively improve our products

All forms of feedback are helpful for us and beneficial for our customers, as we are constantly making product improvements. Product reviews make for great content.

GREAT WAYS TO PROMOTE

EDUCATIONAL VIDEOS

We all love to learn new skills and techniques. Educational content is extremely valuable, and people appreciate well-crafted breakdown videos. Sharing knowledge is a rewarding way to contribute to the community's growth and improvement.

RESOURCES

We've provided you with a folder of video resources that you can seamlessly incorporate into your content. Within the folder, you'll discover video integrations suitable for long-form content, as well as shorter options perfect for YouTube Shorts, Instagram Reels, or TikTok. The selection is diverse, and we'll continually refresh the folder with fresh materials. You can choose videos with music or without if you prefer voiceovers or your own soundtrack. Don't forget to include your exclusive affiliate link in your social media bios, tag us, and share your link in video descriptions for maximum impact.
