# About

We're a collective of memorial artists based in Austin, Texas who believe art can help heal the pain of losing a loved one.

Our art incorporates a small amount of cremation ash infused directly into the Spirit Piece at time of formation, allowing you to always keep your loved ones close to the heart and home.

Please note this catalog is only a small sample of our 1,000+ unique memorials that can be found on [www.spiritpieces.com](http://www.spiritpieces.com)

# Tree of Life Collection

---

By Rachel

## Autumn Sunshine Tree of Life with Blue and Green Tranquil Swirl

This simply divine Autumn Sunshine Tree of Life has been hand twisted using over 300 feet of 20 and 22 Gauge copper wire. The Autumn Sunshine Tree of Life is about 6" high and 5" wide.

This tree has been bundled with a 3" Blue & Green Tranquil Swirl Orb to create a unique 'Burning Bush' motif memorial. We can also combine this with any 3" orb style upon request (additional fees may apply). Comes with wood base.

As this is a collaboration between two artists, the tree and orb will ship separately. You'll be able to add in the orb yourself once the tree arrives.

## Golden Sparkle Tree of Life with Crystals and Purple Sparkle Orb

This beautiful golden tree has been adorned with Crystal Beads and Butterflies. A beautiful memorial, it is an heirloom for the generations. Standing 8" tall and 6" wide with the tree of life being 5" tall and 6" wide, it is large enough to be seen across the room but small enough to fit on desks, mantles and special memorial nooks. This artwork is a collaboration between two artists.

The tree and orb will ship separately. Different colored leaves and colors on orb are available upon request. The orb is around 3" in diameter.

# Glass Pendant Collection

---

Check out this lovely collection of glass pendants infused with cremation ash from your dearly departed. Available in multiple styles, they use under 1/4th teaspoon of cremation ash each. Only the pendant is included in purchase; bail holes are generally 2-4mm wide.

---

## Nightswirl

By Filip

This lovely Pendant has overtones of a small galaxy and ranges in size from 7/8" to 1 1/4" in diameter. It works well as a solo pendant or as part of a larger piece.

Available only in Blue. This is a flat disc rather than a sphere.

## Italian Horns

By Ryan

These lovely glass pendants contain a small amount of cremation ash from your dearly departed loved one. Measuring at approximately 1.5" to 1.75" with bail. The long slender shape makes it a perfect addition to any outfit.

## Madison Pendant

By Charles

This stunning sterling silver wrapped Dichroic Glass Pendant works both as casual and formal wear. The Dichroic Glass Cabochon holds a small pinch of cremains from pets and people. Several yards of Sterling Silver of various gauges are hand wrapped around the Cabochon to produce this amazing piece of art.

Approximately 1 3/4" long. Exact wire-wrapping pattern will differ slightly from pendant to pendant. Available in Blue, Green, Red and Purple. Cremation ashes are visible either in black opaque backing or in clear glass in front (request preference).
