WATCHES & BEYOND

WRIST SIZING GUIDE

1. DOWNLOAD AND PRINT

Make sure you do not scale the contents when printing.
Page Scaling should be set to "None".

2. CUT OUT THE RULER

3. WRAP THE RULER AROUND YOUR WRIST

Wrap the ruler just below the wrist bone or where you would comfortably wear your watch. Loosen or tighten to the desired fit.

To accurately record the measurement, locate the blue line above the watch dial and read the value aligned with this line.
