FOUNTAIN ASSEMBLY:

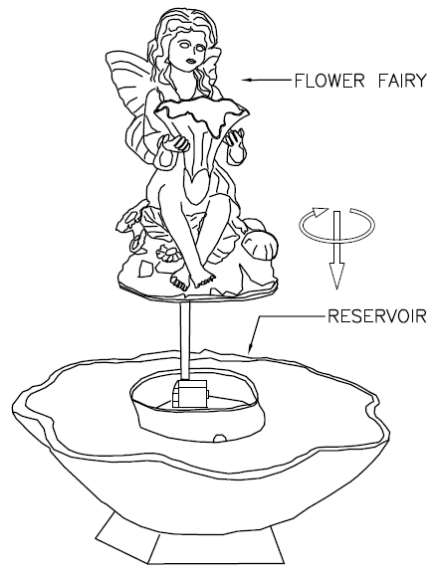

1. Connect the pump to the water hose of the Flower Fairy.

2. The pump cable will exit through the hole on the backside of the Flower Fairy Base on the reservoir.

3. Place the Flower Fairy onto the reservoir and twist clockwise to secure it.

2. Fill the reservoir with water so the pump is completely submersed. **Note:** In order to reduce mineral deposits and bacteria build-up, it is recommend using distilled water.
