## Countertop Receptacles

## UL Listed for Countertop Installation

Hubbell Pop-Up Receptacles for countertops provide a power source ideal for kitchen and bath counters and islands. Hubbell is the first to market a countertop receptacle that is UL Listed. It allows compliance with NEC® 406.5(E) [countertops], 406.5(F) [work surfaces], and 406.5(H) [seating areas]. Pop-Up Receptacles are tested and water resistant to a half gallon spill. The receptacles feature Hubbell's patent pending silicone gaskets and patented cam action tamper-resistant technology. The compact design minimizes space required on the countertop as well as underneath in the cabinet area.

- · Surface or flush mount options
- Permanent installation ready (suitable for MC cable or non-metallic sheath cable)
- · Seven finishes available
- Features two water and tamper-resistant receptacles
- Push down to pop-up function is rated for a minimum of 10,000 cycles (OPEN/CLOSE)
- · Easy installation simply drop in and tighten

(**VL)us** Listed file# E2186

## UL498 Section 146

Built and listed to be water resistant to a half gallon of liquid spilled on the device.

## NEC 406.5(E)

Receptacle assemblies for installation in countertop surfaces shall be listed for countertop application.
