

HOW TO PLAY

Players: 2

1. Deal the cards out between both players
2. The player starting then chooses a category from the top card in their pack and reads out its value
3. The other player then calls out the value from the same category on their top card
4. The player with the largest value wins both cards and places them at the bottom of their pack
5. This player then looks at their new card on the top of their pack and play continues
6. If there is a drawer, the cards are placed in the centre and a new category is chosen
7. The winner is the player who wins the whole pack.

Tip: Why not add some colour to your cards and make them stand out from the rest?
