

50W POST TOP LED AREA LIGHT

Part Number: ALS-PTL-50W-5K-V-BZ
Power: 50W
Input Voltage: AC100-277V
Efficiency: 130 Lumens per Watt
Lumens: 6,500
Color Temp: 5000K
Beam Angle: Type V Circular
CRI: Ra>70
Weight: 12lbs
Housing: Aluminum w/Dark Bronze Powder Coat

Type V

Certifications: ETL Listed - DLC Premium
Rating: IP65 Weatherproof
Operating Temp: -40°~113°F
LED Chip: Lumileds SMD
Mount: 2 3/8" Slip-fit
Dimensions: H13.50" W10.00" D11.50"
Material: Die-Cast Aluminum
Surface Treatment: Anodic oxidation
Cooling: Heavy-duty Heat-sink Head
Warranty: 5 Years

- Outperforms 175W Metal Halide Bulb and Ballast.
- High lumen output 130lm/w 6,500 Lumens
- No upward light loss or brightness deterioration like Metal Halide.
- 2 3/8" Slip-fitter mount. Optional tenon reducers in stock.
- Tough powder coat finish and IP65 Weatherproof rating.
- 5 Year replacement warranty.
