DC PU ER

Mr. Lu Zhi Ming is the founder and leader at DC Tea, GuangZhou and Menghai. He spends over six months per year in Yunnan, developing close relationships with the farmers in remote mountain villages. He personally sources all of the tea leaves for DC Tea. (ie, harvests and pan-fires) Some of the most select batches are handcrafted by Mr. Ming. DC has won multiple awards all over China and Mr. Ming has *one of the best trained palates we've ever encountered.*
