## ABOUT US

At Flexrake® we specialize in lawn and garden tools and dog clean-up tools, which are available at many quality retailers across the nation. These brands are made up of cutting, digging, cultivating, weeding, and clean-up tools. **Flexrake® is America's number one brand name in raking** and has been a family owned and operated company since 1945.

At Flexrake® we are committed to American manufacturing. Many of our top selling garden and pet products are "Made in America", here in Temple City, California. We believe that we can be competitive in America and are intent on continuing that philosophy.

Our national brands include:

## Poop Facts

- *Dog poop is the #3 cause of water pollution*
- *Can contain 23 million fecal coliform bacteria per gram*
- *It is actually harmful to your lawn – not a fertilizer*
- *You can pick up round worms from walking barefoot through a contaminated lawn*
- *Much of the bacteria can become airborne over time*
