- ✓ More economical than other re-esterified Omega-3 products on the market
- ✓ Approved by Health Canada

Now available in two formats

**NOT ALL OMEGA-3 SUPPLEMENTS
ARE CREATED EQUALLY!**

OUR SUPERIOR FORMULATION RESULTS IN INCREASED POTENCY AND EFFICACY

Unlike many other omega-3 supplements, I-VU[®] OMEGA-3 PLUS provides the beneficial omega-3 fatty acids in the **re-esterified triglyceride (rTG) form**, as opposed to the synthetic, ethyl ester form, allowing for greater absorption of these fish oils into the bloodstream.
