

7'2" M THICK

PRESSURE MOLDED EPS BLANKS

AVAILABLE DENSITIES:
*refer to density chart

STOCK STRINGER:
4mm poplar ply

Updated 5-6-16

SHAPER'S COMMENTS:

The 7'2" M Thick can do it all. The new simplified molded blank is perfect for almost all boards. The wide deck and bottom, square rails and relaxed rocker caters to a wide variety of boards making it a go to blank for CNC machines and hand shapers alike. This blank is available stringer-less.
