## LFW SS17 FASHION SCOUT ONE'S TO WATCH

Held at the Freemasons Hall, London, Fashion Scout hosted their ongoing One's To Watch showcase.

Featuring four different designers, Fashion Scouts One's To Watch presented very different designers each with their own personal style and talent.

***"The ones to watch show is the perfect launch pad for talented new designers. This seasons four designers present completely different visions of the future of fashion."*** – Martyn Roberts, Founder and Director of Fashion Scout.

### Anissa Aida

Showcasing minimal yet captivating designs, Anissa Aida's Fashion Scout collection features loose fitting garments including shirts, skirts, trousers and dresses with added accessories, combining both traditional and modern influences. With a cool colour palette of blue and cream, the collection continues to stay a chic and classy affair for the modern woman.
