PH 1500 BENCHTOP METER KIT

- Measures pH, ORP/mV and temperature
- pH range : 2.00 to 16.00 pH
- ORP range : ± 2000.0 mV
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

EC 1500 BENCHTOP METER KIT

- Measures CON, TDS, Salinity and temperature
- CON range : 0.00 to 200.0 mS/cm
- TDS range : 0-100ppt
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

PC 1500 BENCHTOP METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity and temperature
- pH range: -2.00 to 16.00 pH
- CON range: 0.00 to 200.0 mS/cm
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

PH 2000 BENCHTOP METER KIT

- Measures pH, ORP/mV and temperature
- pH range: -2.000 to 20.000 pH
- ORP range: ± 2000.0 mV
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

EC 2000 BENCHTOP METER KIT

- Measures CON, TDS, Salinity and temperature
- CON range : 0.00 to 2.000 S/cm
- TDS range : 0.01 mg/L to 100 g/L
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

PC 2000 BENCHTOP METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity and temperature
- pH range: -2.000 to 20.000 pH
- CON range: 0.00 to 2.000 S/cm
- Meter comes with integrated electrode holder, universal power adapter, electrode and calibration solutions.

PORTABLE TURBIDITY KIT T80WL

- US EPA 180.1 Compliant
- White light source
- Range: 0 to 1000 NTU
- Resolution: 0.01, 0.1, 1 NT
- Meter comes with calibration solutions, vials, silicone oil, microfiber wiping cloth, battery and hard carrying case

PORTABLE TURBIDITY KIT T80IR

- ISO 7027 (DIN EN 27027) Compliant
- IR light source
- Range: 0 to 1000 NTU
- Resolution: 0.01, 0.1, 1 NT
- Meter comes with calibration solutions, vials, silicone oil, microfiber wiping cloth, battery and hard carrying case

OAKTON PH 100 METER KIT

- Measures pH, ORP/mV and temperature
- pH range : 2.00 to 14.00 pH
- ORP range : \pm 1000.0 mV
- Meter comes with case, electrodes and calibration solutions.

OAKTON EC 100 METER KIT

- Measures CON, TDS, Salinity and temperature
- CON range : 0.00 to 199.9 mS/cm
- TDS range : 0 to 100 ppt
- Meter comes with case, electrodes and calibration solutions.

OAKTON PC 100 METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity and temperature
- pH range: -2.00 to 14.00 pH
- CON range: 0.00 to 199.9 mS/cm
- Meter comes with case, electrodes and calibration solutions.

OAKTON PH 260 METER KIT

- Measures pH, ORP/mV and temperature
- pH range: -2.00 to 16.00 pH
- ORP range: \pm 2000.0 mV
- Meter comes with case, electrodes and calibration solutions

OAKTON EC 260 METER KIT

- Measures CON, TDS, Salinity and temperature
- CON range : 0.00 to 200 mS/cm
- TDS range : 0 to 100 ppt
- Meter comes with case, electrodes and calibration solutions

OAKTON DO 260 METER KIT

- Measures DO and temperature
- DO range: 0-20 mg/l or 0-200%
- DO resolution: 0.01mg/L or 0.1%
- Meter comes with case, electrodes with 2m cable and AA batteries.

OAKTON PC260 METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity and temperature
- pH range: -2.00 to 16.00 pH
- CON range: 0.00 to 200 mS/cm
- Meter comes with case, electrodes and calibration solutions.

OAKTON PD260 METER KIT

- Measures pH, ORP/mV, DO and temperature
- pH range: -2.00 to 16.00 pH
- DO range: 0-20 mg/l or 0-200%
- Meter comes with case, electrodes and calibration solutions

OAKTON PH 350 METER KIT

- Measures pH, ORP/mV and temperature
- pH range: -2.000 to 20.000 pH
- ORP range: ± 1000.0 mV
- Meter comes with pH sensor head, pH sensor cartridge, pH buffer, AA batteries, wireless SD card, and carrying case

\$ 1305
Was \$ 1865

OAKTON EC 350 METER KIT

- Measures CON, TDS, Salinity and temperature
- CON range : 0 to 200 S/cm
- TDS range : 0.01 -200ppt
- Meter comes with EC sensor head, EC sensor cartridge, standards, AA batteries, wireless SD card, and carrying case

\$ 1668
Was \$ 2383

OAKTON DO 350 METER KIT

- Measures DO and temperature
- DO range: 0-20 mg/l or 0-200%
- DO resolution: 0.01mg/L or 0.1%
- Meter comes with DO sensor with cap, AA batteries, wireless SD card, and carrying case

\$ 1844
Was \$ 2635

OAKTON PC 360 METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity and temperature
- pH range: -2.000 to 20.000 pH
- CON range : 0 to 200 S/cm
- Meter comes with pH & CON sensor head, and sensor cartridge, buffers, AA batteries, wireless SD card, and carrying case

\$ 2038
Was \$ 2912

OAKTON PD 360 METER KIT

- Measures pH, ORP/mV, DO and temperature
- pH range: -2.000 to 20.000 pH
- DO range: 0-20 mg/l or 0-200%
- Meter comes with pH sensor head, DO sensor with cap, pH buffer, AA batteries, wireless SD card, and carrying case

\$ 3029
Was \$ 4327

OAKTON PCD 380 METER KIT

- Measures pH, ORP/mV, CON, TDS, Salinity, DO and temperature
- pH range: -2.000 to 20.000 pH
- CON range: 0.00 to 2.000 S/cm
- DO range: 0-20 mg/l or 0-200%
- Meter comes with pH & CON sensor head, and sensor cartridge, buffers, AA batteries, wireless SD card, and carrying case

\$ 1721
Was \$ 2453

OAKTON DO 1000 METER KIT

- Measures DO and temperature
- pH range: 0-20 mg/l or 0-200%
- DO resolution: 0.01/0.1 mg/L or 0.1/1 %
- DO 1000 portable meter, optical DO electrode, carrying case
