# STEPS:

1. Turn socks wrong side out.
2. Lay socks as shown in Pic 1 .
3. Mark the sewing lines as shown in Pic 1 (see Key).
4. Sew on marked sewing lines (by hand or with sewing machine).
5. Cut around sewing lines, being careful not to cut your seams.
6. Turn all pieces right side out.
7. Stuff the body and legs then sew shut.
8. Create hair:
  - a. Wrap yarn around 4" wide cardboard (see Pic 2).
  - b. Slide yarn off, then wrap tightly around the center and tie (see Pic 3).
  - c. Cut through the ends of the yarn loops (see Pic 4).
9. Sew hair into place on top of monkey head.
10. Stuff arms, tail and ears then sew shut.
11. Sew ears, arms and tail into position (see Pic 5).
12. Sew eye buttons into position. For an example see photos on cover.
13. Pin and sew mouth into place, leaving a 1" opening for stuffing.
14. Stuff the mouth with poly-fil then sew closed.
15. Add a decorative stitch across mouth. For an example see photos on cover.

## KEY:

<span style="color: yellow;">—</span>	Sew FIRST
<span style="color: cyan;">—</span>	THEN Cut
