1. Take sock #1 and fold foot side in half (see Pic 1)
2. Roll into a rosette, starting from the toe.
3. As you get near the heel, fold the rest of the sock in half (see Pic 2)
4. Continue rolling into a rosette until you get to the end of the sock.
5. Wrap with a rubber band (see Pic 3)
6. Take sock #2, find the halfway point, and fold the upper portion down into the sock (see Pic 4 and 5).
7. Find the halfway point again, but this time fold the upper portion to the outside, going down around the lower portion (see Pic 5 and 6)
8. One last time, find the halfway point and fold the upper portion down around the lower portion (see Pic 7)
9. Tuck sock #1 (the rosette) into sock #2 (see Pic 8)
10. Print off cupcake holder template on next page.
11. Cut out the cupcake holder.
12. Wrap the holder around the cupcake, then tape in place (see Pic 9).
