# Wine

We have an extensive and eclectic wine selection with 300 different labels from Italy, France and Spain as well as some wines from the rest of the world. Many of them are organic or biodynamic with a good assortment of "natural wines". The vast majority of the wines are imported directly from our producers so that you can buy a bottle that you won't be able to find anywhere else. This is a non-exhaustive selection from Vinarius staff favourite wines. The price includes £5 corkage fee that we add to the retail prices for each 75cl bottle consumed on the premises.
