

Dear Customer:

Thank you for choosing Ledsion Lighting.

Ledsion Lighting warrants that all Ledsion Lighting Products will perform in accordance with the specifications for the number of years after the shipment date. The customer's procedure for any breach of this warranty, and Ledsion Lighting's entire liability with respect to any such breach, is to return defective Products to Ledsion Lighting and to receive, at Ledsion Lighting's option, either repair or replacement of the defective Products. The customer shall bear the cost of shipping. This warranty is void if a product defect has resulted from accident, abuse or abnormal use of the Product. All defective Products should be returned within thirty (30) days from the date of replacement Products receipt. Otherwise, replacement Products will be charged as a new order. Repaired and or replaced Products are warranted for the remainder of the failed Products original warranty period; (Warranty does not renew) plus additional thirty (30) days after shipment of Product to customer. All returns of Products that are damaged during shipment will be replaced free of charge, with prior authorization from Ledsion Lighting. All returns must occur within 90 days of the original shipping date. All Products must be returned in their original boxes.

Ledsion Lighting reserves the right to determine whether any Product is defective. If the Product is defected, Ledsion Lighting has the right to determine whether to repair or replace the Product. Product will not be considered defective solely as a result of the failure of individual LED components to emit light if the number of inoperable LED components is less than 10% of the total number of LED components in the Product. This limited warranty does not apply to loss or damage to the Product caused by: improper installation, mishandling, storage or maintenance damage, damages due to acts of God, weather lightning or thunder, power surges, civil disturbance, improper power supply, abuse, misuse, electrical current fluctuations, or environmental requirements set forth by Ledsion Lighting Spec Sheet. This warranty does not cover any third party products or accessories conjoined with the Product. Ledsion Lighting is not responsible for labor cost or expenses associated with installation or removal of Product.

This limited warranty may not be transferred by original end-user purchaser except in connection with the sale of the installation site in which the Product was originally installed. This limited warranty is void if the Product is installed from the original installation site and moved to new installation site. This limited warranty is

non-transferable unless approved in writing by Ledsion Lighting. In order to make a warranty claim, the claiming party must notify Ledsion Lighting in writing within Sixty (60) Days after discovery of defect, provide purchase invoice and comply with Ledsion Lighting other warranty requirements.
