ACCESSIBLE**

CE SERIES TRASH/RECYCLING CONTAINER

Manufactured by the North American leaders in bear-resistant containers.

Available in single and double configurations, the CE Series refuse and recycling containers are used widely by Parks and Forests throughout North America. These heavy-duty, handicap accessible products are a good choice where accessibility compliance is required. The top-loading pull down chutes make these models easy to operate and easy to maintain. Uses a standard 32 gallon refuse can inside.

- USER FRIENDLY LOADING CHUTES
- BEAR-RESISTANT ADA COMPLIANT
- FRONT SERVICE DOOR
- REFUSE, RECYCLING, OR COMBO CONFIGURATIONS
- CORROSION RESISTANT MATERIALS AND POWDER COATED FINISHES
- STANDARD COLORS ARE FOREST BROWN, FIR GREEN, OLIVE GREEN, BLUE AND BLACK
