## HA SERIES TRASH/RECYCLING RECEPTACLE

Manufactured by the North American leaders in bear-resistant containers.

Available in single and double configurations, the Model HA Series containers are equally suited for refuse or recycling. Incredible quality and durability makes these all-weather containers great for any application. The stylish design allows placement in locations like visitor centers and downtown city streets where aesthetics are important.

- BEAR-RESISTANT, RODENT-RESISTANT AND ADA COMPLIANT
- FRONT SERVICE DOOR
- OPTIONAL RECYCLED PLASTIC WOOD SIDING OR CUSTOM DECALS
- REFUSE, RECYCLING, OR COMBO CONFIGURATIONS
