

36 Segmented Cooktop 1-burner, 2 induction zones and griddle Professional Series

PM361IGX

Bertazzoni rangetops and cooktops are superb cooking appliances designed, engineered and made in Italy. All Bertazzoni appliances integrate seamlessly into style-harmonized suites for a true, high-performing kitchen.

Bertazzoni segmented cooktops offer different combinations of gas, griddle and induction cooking. Available segments are single gas power burner with dual ring and 18,000 BTUs, dual gas burner, electric griddle with front and back temperature control and dual zone induction. The segments are combined in 24" and 36" units with low profile design and controls along the front. Installing the appliance requires a single cut-out.

All Bertazzoni appliances are covered by a 2-year warranty. Products and packaging are 99% recyclable. 

Specifications
